IN RE: Application of Teleglobe Business Solutions)	ORDER APPROVING
for a Certificate of Public Convenience and)	CHANGE OF COMPANY
Necessity to Provide Resold Intrastate)	NAME AND AMENDING
Interexchange Telecommunications Services)	CERTIFICATE
in the State of South Carolina)	

This matter comes before the Public Service Commission of South Carolina (“Commission”) by way of a request filed by Teleglobe Business Solutions (“TBS” or the “Company”) to amend its Certificate of Public Convenience and Necessity by a change in its name. By its request, TBS advises the Commission that the Company is changing its name to eMeritus Communications, Inc. (“eMeritus”)

A review of the docket file reveals that TBS was originally granted authority to provide intrastate interexchange telecommunications services within the State of South Carolina in the name of Dial & Save of South Carolina, Inc. d/b/a Dial & Save and that such authority was granted by Order No. 95-1210, dated June 12, 1995. Thereafter, by Order No. 98-65, dated January 30, 1998, the Commission approved a change in the name from Dial & Save of South Carolina, Inc. d/b/a Dial & Save to Telco Holdings d/b/a Dial & Save. Lastly, by Order No. 2000-0266, dated March 20, 2000, the Commission approved a change in the Company’s name to its presently known name of Teleglobe Business Solutions, Inc.

Pursuant to the instructions of the Commission's Executive Director, TBS published a Notice of Filing in newspapers of general circulation in the Company's service area. The Company filed an affidavit showing that it had complied with the instructions of the Commission's Executive Director. No Protests or Petitions to Intervene were filed in this matter.

According to TBS, the Company is authorized to provide intrastate interexchange and/or exchange telecommunications services in 48 jurisdictions and is also authorized by the Federal Communications Commission ("FCC") to provide resold and facilities-based international message telecommunications services between the United States and various international points. However, TBS does not currently provide local exchange services in South Carolina.

By its request, TBS advises the Commission of the Company's intent to change its name to eMeritus Communications, Inc. Attached as Exhibit A to TBS's request is a copy of the Amended Certificate of Authority to Transact Business in the State of South Carolina. Additionally attached to TBS's request is Exhibit B, a copy of the notice to be provided to all TBS customers advising them of the Company's name change. According to TBS, it is the Company's belief that the name change will be a valuable step in developing the Company's telecommunications services and in implementing its ongoing business plan. TBS states that the name change will not in any way inconvenience or cause harm to the customers of TBS, and that the Company will continue to provide high quality, affordable services to its customers under its newly acquired name. TBS also

attaches as Exhibit C to its request, the Company's revised tariff reflecting the name change.

At its regularly scheduled meeting on April 30, 2002, the Commission reviewed the case before it and after due consideration, the Commission concluded that the request of TBS for approval of a change of the Company's name should be granted.

The Commission's records will hereby reflect the following modification of the name of the Company:

FROM: Teleglobe Business Solutions

TO: eMeritus Communications, Inc.

IT IS THEREFORE ORDERED THAT:

1. Teleglobes Business Solutions' request for approval of the Company's change of name from Teleglobes Business Solutions, Inc. to eMeritus Communications, Inc. is approved.

2. This Order shall remain in full force and effect until further Order of the Commission.
